OHIO811 member companies will attempt to mark gas lines prior to excavation with yellow flags or yellow spray paint up to the meter, not after.
Note: Your piping system may be different from illustration.
Meter
Your Home
The customer or property owner is responsible for all gas piping and appliances after the meter.
This may be installed on eligible service lines.
Ground Level
Curb Stop/Valve
Excess Flow Valve
House Lines
Gas Appliances
Road
Mainline
Dominion Energy Ohio will cover the cost of necessary repairs or replacements to the SERVICE LINE, which runs from the curb valve to the meter, unless such repair or replacement is needed due to damage caused by the property owner, the customer, or another party or the service line is relocated upon request.
