There will be one-lane traffic traveling in both directions with the assistance of traffic flaggers. Please anticipate delays in that area. Better yet, avoid the area if at all possible. The project will last about four weeks, Monday through Friday, from 7:30AM to approximately 3:30-5:30PM. Work may also take place on Saturday. ## **ECONOMIC DEVELOPMENT**

- **Special Planning District (SDP):** We have been working on a new SPD for approximately 350 acres of land surrounding the Broadview Road/SR 82 intersection. This zoning is a plan based on mixed use zoning. There are two zones in the area, Zone A and Zone B. Zone A is closest to the intersection and concentrates more on a mix of retail and office. Zone B surrounds Zone A and is more dedicated to a mix of residential/office with a minor retail presence. Green space and community areas are integrated throughout the zones and pedestrian connectivity is a major factor throughout the area and including our City campus. Several presentations have been made to the Planning Commission and there are a few more. It will then go to City Council and, if approved, will be on the ballot next May. The next meeting is Wednesday October 24 at 7PM. All Planning Commission meetings are open to the public and we value your input. The slides from all the presentations can be found on this [LINK](#).
- **Ohio Caterpillar** held a ground-breaking ceremony for the beginning of its three-phase expansion. Ohio Cat is our largest employer and a great corporate citizen. They have weathered the recent slow economy and it is great to see they are growing and prosperous. Congratulations Ohio Cat!
- **Dunkin Donuts** has brought forth plans to locate on SR 82 just west of Broadview Road. They are expected to break ground in the spring.
- **Greek Village Restaurant** (now in Lakewood) is opening its second restaurant in Broadview Heights in Wellpointe Plaza. Interior construction is underway and they should be open in a few weeks.
- A new dancewear store will also be coming to Wellpointe Plaza next to Creative Movement Center.
- On the north end of Broadview Heights, Lava Massage Studio is opening a new place as well as a pediatric dentist. More information to come.
