## **SAFETY TOWN**

This 10-day summer education program instructs pre-kindergarten aged children with interactivities on crossing the street, traffic lights, seat belts, bus safety, the work of police officers and firefighters, bike safety and more. The focus is on safety skills that will be used on a daily basis in a child's life. Using a simulated "mini-town" complete with buildings and roads, the children use tricycles with seat belts to practice and experience a variety of situations so that they may respond decisively when confronted with those same situations in real life. The serious subject of safety is combined with craft activities, songs, and lots of fun.

They also will work on learning their phone number and home address. Classes for 2015 are June 15-26. Morning session: 9:00-11:00AM, or afternoon session: 12:30-2:30PM. The cost is \$35.00.

**There will be an Open Registration Wed., April 8, from 4:00-5:30 PM at the Broadview Heights Police Kloka Training Facility (across from the Police Department), 9543 Broadview Road in Broadview Heights.**
