## IN CASE YOU MISSED IT...

- **COMMUNITY AND RECREATION CENTER LEVIES**
  - On November 4, voters in Broadview Heights will have the opportunity to vote on the expansion of the Broadview Heights Community & Recreation Center. Voters will see two issues regarding the expansion: a 0.4 mill 15-year operating levy and a 1.42 mill 25-year bond issue.
  - The 0.4 mill operating levy would cover the increased operational costs (staffing, utilities, etc.) of both the new and current facility. The operating levy will cost homeowners \$1.17/month per \$100,000 of their appraised home valuation.
  - The 1.42 mill bond issue would cover the costs of the construction for the expansion, including: Dedicated senior space and programming, 2 additional gyms, new fitness center with state-of-the-art equipment, indoor track, modern locker room facilities, and a new aquatic area with lap lanes, lazy river, activity pool, zero depth entry wading area with play features, water slides, sauna, steam room and whirlpool. The bond issue will cost homeowners \$4.16/month per \$100,000 of their appraised home valuation.
  - If both issues pass, the construction of the expansion will begin in 2016 and membership rates will remain the same for all Broadview Heights residents. Membership rates will increase for all non-residents.
  - If both issues fail, a new facility will not be constructed and there will be an increase in membership rates for Broadview Heights residents and non-residents at the existing facility to cover the annual increase in operating costs.
