ZIKA VIRUS INFORMATION

The Cuyahoga County Board of Health continues to work closely with the Ohio Department of Health and conducts surveillance to monitor for mosquitoes that may transmit disease. Although local transmission of Zika virus through the bite of a mosquito has not been identified in the continental United States, the U.S. mainland does have two species of mosquitoes that can become infected with and spread Zika virus. The primary vector for transmitting Zika is not established in Ohio and is found in the Southeastern States. A possible second vector known as the Asian Tiger mosquito is rarely found in Northeast Ohio. For additional information, [CLICK HERE](#) to visit the County Board of Health Website and learn more about disease-carrying mosquitoes in general.

DONATE FURNITURE

The Cleveland Furniture Bank will pick up furniture and other items such as couches, chairs, dining sets, dressers, mattresses, household items, and clothing. Go online to schedule a pick-up: <http://www.clevelandfurniturebank.org> or call 216/459-2265 x101. Donating usable furniture keeps it out of the landfill and helps those in need. (Donations are tax deductible.)

MAY IS “PUBLIC SERVICE RECOGNITION WEEK”

Each year the President and Congress designate the first full week of May as *Public Service Recognition Week* in honor of the men and women who serve America as federal, state, county and local government employees. We join the Defense Finance and Accounting Service (DFAS) in celebrating our civilian and military public servants this year. *Public Service Week* highlights the accomplishments of the dedicated public servants who work tirelessly on behalf of all Americans and who rarely get the credit they deserve. Throughout our area are hundreds of public servants at every level of government, ensuring that our city, county, state, and country accomplish their mission and serve our citizens.
