The Police Department continues to receive complaints about phone and email scams. [View this link](#) to familiarize yourselves with the latest scams. The Police Department encourages everyone to call if they have any questions before sending any money.
- **TREE RESPONSIBILITY**

We have had many issues with dead Ash trees due to the Emerald Ash Borer. Ash trees become very brittle and hazardous after they die. If an ash tree is located where it might be hazardous to pedestrians, automobiles or houses it should be removed. Residents often call with questions about removal of trees on their property, especially the tree lawn. While the tree lawn is in the city's right-of-way, it does belong to the residents. Therefore, maintenance of trees in that area is the homeowners' responsibility. The city will, however, assist if the tree falls into the roadway. Tree companies that are registered with the city are listed alphabetically on the list of [Licensed Contractors \(linked here\)](#) from our website.

- **DEER MANAGEMENT**

The application packet for our Deer Control Program per Ordinance #32-16 is now available for downloading [here](#) and on the home page of our website. It contains detailed rules and regulations, property-owner agreement forms, target proficiency information, etc.
