HUMAN SERVICES FUNDRAISER

The Department will be hosting a fundraiser on Thursday, November 17 to benefit Human Services programming. Enjoy an evening at the Spotlights Theater on the Broadview Center campus. The event begins at 6:30PM with an Hors D'oeuvres Reception and Beverage Bar (non-alcoholic). The play "*Queen of the Mist*" begins at 7:30; desserts will be served during intermission. Guests may bring their own bottle of wine to enjoy during the evening. The show is a musical

based on an astounding and outrageous true story about Anna Edson Taylor who, in 1901 at the age of 63, set out to be the first woman to shoot Niagara Falls in a barrel of her own design. Tickets are \$25 per person; make checks payable to the North Royalton/Broadview Heights Rotary and mail to (or drop off at) the Human Services Department, 9543 Broadview Road, Broadview Heights. *Note that the show has three moments of brief but specific uses of adult language.*

LITTLE FREE LIBRARY

This service is the brain-child of 7-year old Mary Halscheidt of Broadview Heights who noticed The Little Free Library in front of an elementary school while vacationing in Saint Simon Island, Georgia. She made a persuasive presentation to the Mayor who decided to implement the concept here. A wooden box that looks like a house is now in the lobby of the Community Building. It will be moved to the playground/splashpark area in the spring. Children and adults will be able to "Take a Book and Leave a Book" in this free book exchange. Join us for the dedication and meet little Mary on **Wednesday, November 2, at 6:30PM** in the lobby of the Community Building.

- **PHONE AND EMAIL SCAMS**
The Police Department continues to receive complaints about phone and email scams. [View this link](#) to familiarize yourselves with the latest scams. The Police Department encourages everyone to call if they have any questions before sending any money.
- **TREE RESPONSIBILITY**
We have had many issues with dead Ash trees due to the Emerald Ash Borer. Ash trees become very brittle and hazardous after they die. If an ash tree is located where it might be hazardous to pedestrians, automobiles or houses it should be removed. Residents often call with questions about removal of trees on their property, especially the tree

lawn. While the tree lawn is in the city's right-of-way, it does belong to the residents. Therefore, maintenance of trees in that area is the homeowners' responsibility. The city will, however, assist if the tree falls into the roadway. Tree companies that are registered with the city are listed alphabetically on the list of [Licensed Contractors \(linked here\)](#) from our website.

- **DEER MANAGEMENT**

The application packet for our Deer Control Program per Ordinance #32-16 is now available for downloading [here](#) and on the home page of our website. It contains detailed rules and regulations, property-owner agreement forms, target proficiency information, etc.
