- **RECENT SCAM: DON'T BE A VICTIM:** Residents have been approached by a contractor that offers many services, including driveway sealing. There are many complaints about the contractor on file with the Better Business Bureau and the legitimacy of the business is questionable. Protect yourself. All contractors that perform work in the City must be registered, which includes proof of proper licensing, bonding, and insurance. When considering repairs by a contractor, contact the Building Department to make sure they are registered – even if permits are not needed. This will help prevent you from being a victim.

The "My Healthy Hometown Prescription Discount Card" is made available to residents in collaboration with the National League of Cities (NLC) and is made possible through Broadview Heights' membership in NLC. The card is FREE to all residents regardless of age, income or existing health insurance. By using this card there may be an average savings of 24% off the regular retail price of prescription drugs at participating pharmacies. Residents may also pick up a card at the Broadview Heights Community Building. For more information, call toll free: 1-888-620-1749. Note: This is not insurance. Discounts are only available at participating pharmacies. The Prescription Discount Card is operated by CVS Caremark®. By using this card, participants agree to pay the entire prescription cost less any applicable discount. Savings may vary by drug and pharmacy.
- **SOLICITING IN BROADVIEW HEIGHTS:** There are several ordinances that pertain to soliciting in Broadview Heights. In summary:

 - Section 828.05 states that, "...no person engaged in business...shall call at any residence in the City which displays a NO-SOLICITATION sign.
 - Section 828.06 reads: "Peddlers and solicitors shall use only residential sidewalks and driveways..."
 - Section 828.07 reads: "...no person engaged in business...shall call upon...any residence...which is at that time on the 'Peddlers/Solicitors Do Not Call Registry".
