### **PUBLIC SERVICE DEPARTMENT**

- **REGION-WIDE ROAD SALT SHORTAGE:** The region-wide road salt shortage is causing salt to be rationed and is currently affecting Broadview Heights and our neighboring communities. Although Cargill will continue to provide our communities with salt, it will be in limited quantities. In order to maintain our salt supply, Broadview Heights will prioritize salt distribution to areas where necessary such as hills, main roads, intersections and curves. Thank you for your understanding and patience and as always, please exercise caution while driving in hazardous conditions.  
For any questions, please call the Service Department at 440-717-4022.

### **HUMAN SERVICE DEPARTMENT**

- **THE BROADVIEW HEIGHTS FOOD BANK** is in need of non-expired/non-perishable food items. Specific items that are needed: boxed potatoes, rice or rice mixes, canned meat, oatmeal, cereal/breakfast bars, nuts, shelf stable milk and milk substitutes, canned stews, and canned fruit. Please bring the items to the Broadview Heights Human Services Department located on the main floor the Community Building. Your generosity is appreciated by all who are served.

### **ADDRESS YOUR MAILBOX**

**FOR SAFETY'S SAKE:** As the harsh winter conditions continue, take a moment and check your mail box -- not the inside, but the proper address number identification on the outside of the box. Both the heat of summer and the cold of winter can fade decals, or render the adhesive ineffective causing the numbers to fall off. Our Police and Fire Departments appreciate visible and reliable numbering on your mail box. Help them find you faster with good address identification. To help you understand what that means, the Building Code reads as follows: *1324.01 "The house number on each mailbox shall be inscribed in neat numbers not less than two inches high on each side of the mailbox, or on the door of the house if the boxes are grouped. Advertising on mailboxes or supports is prohibited."*
