IN CASE YOU MISSED IT

- **LOW INTEREST HOME IMPROVEMENT LOANS:** The Housing Enhancement Loan Program (HELP) is available to residents of Cuyahoga County. The Cuyahoga County Department of Development has partnered with both Key Bank and Huntington Bank to offer a low-interest home improvement loan (at 3% below normal bank rates). [Get the details here](#).
- **PAVING OF THE BROADVIEW CENTER LOOP ROAD:** Traffic around the campus is being maintained as we repave the road and back parking lot; however, there may be delays as the equipment moves about. After the initial layer cures (about two weeks), the final layer and striping will take place. Thank you for your patience.
- **CURBSIDE RECYCLING IS IN TROUBLE:** Local recycling processors report that more and more recycling is contaminated with garbage (up to 25% garbage). Contamination happens when residents put unacceptable or non-recyclable items into their recycling bag. Also, recycling markets are shrinking because of China's decision to restrict imports. Simply stated, they no longer want to be the global end-market for the world's recyclables because, for decades, they have been accepting recyclables contaminated with trash and hazardous waste, leaving them with a spoiled environment that they are now working to clean up. These two facts – huge contamination rates and China's restriction of imported recycling – have created a perfect storm for recycling here. Everyone's help is needed to do a better job of recycling to keep the program viable. [Click here to view](#) the recycling guidelines.

CITY RULES & REGULATIONS

- **BUILDING DEPARTMENT REMINDERS:** All contractors performing work in the City must be registered. The majority of projects that require hiring a contractor also require a permit. Permits cards must be displayed on the property in a place visible from the street. Projects requiring contractor registration and permits also require inspections by the Building Department. Specific to roofers, an “ice guard” inspection is required prior to installing shingles. Contact the Building Department with any questions. 440-526-6864
- **CURBSIDE RECYCLING GUIDELINES:** **Simply put, listed are the items that are recyclable:** Plastic Bottles & Jugs, Glass Bottles & Jars, Cartons, Metal Cans, and Paper & Cardboard. Throw away the lids in regular trash unless they are still on the original container (tightly). **When in doubt throw it out (in the garbage that is).** Click on this link for tips on recycling the right way [Cuyahoga Recycles](#). For large and miscellaneous trash items, click on the downloadable, printable guidelines. [City Special Trash Guidelines](#).

- **TRIMMING OF TREE LAWN TREES:** Please help us be a “walkable” community by pruning the trees on your tree lawn. The Shade Tree Commission recommends a minimum height of 6’6”. This will help keep our pedestrians and bike-riders safe.
- **ALL GARBAGE IS TO BE PUT OUT BY 7AM:** Due to weather conditions, holidays, call-offs, etc. the normal pick up times will vary. Do NOT rely on the time that trash has been picked up in the past.
- **SOLICITING IN BROADVIEW HEIGHTS:** There are several ordinances that pertain to [soliciting in Broadview Heights](#). All ordinances are located on our [website](#).
- **NO OVERNIGHT PARKING ON CITY STREETS:** [Codified Ordinance](#) section 452.05(c) (1) prohibits parking on city streets between the hours of 3AM and 6AM. Per Codified Ordinance section 452.20 (a), signs are posted at city limits.
