HUMAN SERVICES

The annual Yuletide Hunger Program is now underway. It is jointly sponsored by the Cities of Broadview Heights, Brecksville, Independence and Seven Hills. Last year the program assisted 134 impoverished households during the holidays, and that number increases each year. Please consider a monetary donation in support of this worthwhile program. Contributions should be received by the first week of December and made payable to: Yuletide Hunger Program, c/o City of Broadview Heights, 9543 Broadview Road, Broadview Heights, OH 44147.

IN CASE YOU MISSED IT

- **BROADVIEW HEIGHTS COMMUNITY AND RECREATION CENTER UPDATE:** An Open House event was held on Saturday, October 27, and it was a big success. Thousands of people toured the new facilities! The new fitness center, the gymnasiums and the track are now open! The Seven Hills Recreation Department has extended the option for our members to utilize their pool while we continue to complete our new natatorium. The remaining facilities will be opening soon!
- **SNOW PLOW PERMITS REQUIRED:** Ordinance 840.01 states that “..Any person who contracts or performs snow removal services in the City, on other than his or her own personal property, and for compensation, shall make application to the Mayor's office for a snow removal permit for each snow removal vehicle used by such applicant in the City...” [Download the application and ordinances](#) pertaining to snow plowing here. If you hire a contractor, please make sure they are licensed in Broadview Heights.
- **CURBSIDE RECYCLING IS IN TROUBLE:** Local recycling processors report that more and more recycling is contaminated with garbage (up to 25% garbage). Contamination happens when residents put unacceptable or non-recyclable items into their recycling bag. Also, recycling markets are shrinking because of China’s decision to restrict imports. Simply stated, they no longer want to be the global end-market for the world’s recyclables because, for decades, they have been accepting recyclables contaminated with trash and hazardous waste, leaving them with a spoiled environment that they are now working to clean up. These two facts – huge contamination rates and China’s restriction of imported recycling – have created a perfect storm for recycling here. Everyone’s help is needed to do a better job of recycling to keep the program viable. [Click here to view](#) the recycling guidelines.
- **ENGINEERING CO-OP** (for credit only): The Engineering Department is looking for a Co-Op to provide assistance on the survey crew, perform inspections, perform drafting

tasks relating to City map updating, information gathering for pavement management program, and other duties as assigned. If interested, please review and apply [online](#).

CITY RULES & REGULATIONS

- **BUILDING DEPARTMENT REMINDERS:** All contractors performing work in the City must be registered. The majority of projects that require hiring a contractor also require a permit. Permits cards must be displayed on the property in a place visible from the street. Projects requiring contractor registration and permits also require inspections by the Building Department. Specific to roofers, an “ice guard” inspection is required prior to installing shingles. Contact the Building Department with any questions. 440-526-6864
- **CURBSIDE RECYCLING GUIDELINES: Simply put, listed are the items that are recyclable:** Plastic Bottles & Jugs, Glass Bottles & Jars, Cartons, Metal Cans, and Paper & Cardboard. Throw away the lids in regular trash unless they are still on the original container (tightly). **When in doubt throw it out (in the garbage that is).** Click on this link for tips on recycling the right way [Cuyahoga Recycles](#). For large and miscellaneous trash items, click on the downloadable, printable guidelines. [City Special Trash Guidelines](#).
- **NOISE ORDINANCE RELATIVE TO OUTDOOR EQUIPMENT:** No person shall use engine or motor- powered garden, lawn or maintenance tools intended for repetitive use in landscaping in residential areas, typically capable of being used by homeowners, including garden tools, riding tractors, walking tractors and power mowers, between the hours of 8PM of any day and 8:00AM of the following day. **Note: Hours vary for construction and roadwork.**
- **TRIMMING OF TREE LAWN TREES:** Please help us be a “walkable” community by pruning the trees on your tree lawn. The Shade Tree Commission recommends a minimum height of 6’6”. This will help keep our pedestrians and bike-riders safe.
- **ALL GARBAGE IS TO BE PUT OUT BY 7AM:** Due to weather conditions, holidays, call-offs, etc. the normal pick up times will vary. Do NOT rely on the time that trash has been picked up in the past.
- **SOLICITING IN BROADVIEW HEIGHTS:** There are several ordinances that pertain to [soliciting in Broadview Heights](#). All ordinances are located on our [website](#).
- **NO OVERNIGHT PARKING ON CITY STREETS:** [Codified Ordinance](#) section 452.05(c) (1) prohibits parking on city streets between the hours of 3AM and 6AM. Per Codified Ordinance section 452.20 (a), signs are posted at city limits.

MAYOR’S OPEN HOURS: Drop in on Wednesdays, 4:30-6:00PM (Please check the website or call City Hall prior to coming in case of a last-minute change.)

SAMUEL J. ALAI, MAYOR
CITY OF BROADVIEW HEIGHTS
