SERVICE DEPARTMENT

- **TREE TRIMMING:** In January, the Service Department will be trimming trees on the tree lawns to prevent damage and allow for easier passage of snow plows, school busses, etc. They will also do some trimming along the sidewalks. All debris will be removed. If you plan to trim the trees yourself **within the next couple weeks** and prefer that the service workers NOT trim them, please call the 440-717-4022 to let them know.
- **HOUSEHOLD HAZARDOUS WASTE:** Cuyahoga County Solid Waste District is switching vendors of household hazardous waste collected in the cities. During this transition, we have no collection/storage supplies until January 7. Until that time, we are NOT accepting hazardous household waste for disposal. After January 7, the program will return to normal. In the meantime, we WILL accept computers and used oil for recycling.

ITEMS THAT ARE **NOT** ACCEPTED AT OUR SERVICE GARAGE DROP OFF LOCATIONS:

- **LATEX PAINT** is NOT hazardous waste. Please dry it out at home and put with the regular trash with the lid off so the drivers can see that it is dried out. You can mix the paint with kitty litter, sawdust, or a purchased drying agent available anywhere that paint is sold.
- **MEDICAL WASTE:** Unused medications can be taken to the North Royalton, Seven Hills, or Brecksville police departments and placed in the drug disposal box in their respective lobbies.
- **CFL LIGHT BULBS** (the curly ones) should be taken to *Lowes, Home Depot, or Batteries+* for recycling.
- **FLUORESCENT TUBE LIGHTS** should be taken to *Batteries+*.

- **PROPANE TANKS** (20 lb. regular grill tanks) can be taken to any business that sells Blue Rhino propane. Write "RECYCLE" on the empty tank.
- **TELEVISIONS AND MICROWAVES** are NOT accepted in the computer round-up drop-off location! Tube televisions under 32", flat screens under 50", and portable televisions can be taken to any Best Buy for recycling.
- **SINGLE-USE ALKALINE BATTERIES** can be safely discarded in your regular trash.

HUMAN SERVICES

VASCULAR SCREENING FOR PERIPHERAL ARTERY DISEASE (PAD): Do you experience cramping, pain or tiredness in your legs or hip muscles while walking or climbing stairs? These are the most common symptoms of Peripheral Artery Disease or PAD. This condition may often go undiagnosed yet leave you at higher risk for coronary artery disease, heart attack or stroke. It is caused by atherosclerosis, or a narrowing or blockage of critical arteries. Your risk for PAD increases with age. High blood pressure, high cholesterol, diabetes and smoking also put you at higher risk for PAD. A simple, painless screening is available to diagnose this condition. **On Saturday, January 26**, University Hospitals Harrington Heart & Vascular Institute is holding vascular screenings for PAD from **9AM-1PM at University Hospitals Parma Medical Center**, 7007 Powers Blvd., Parma. Appointments are required; call **800-883-3674** to be screened for this serious but treatable condition. Screenings will take place in Cardiovascular Services on the hospital's first floor.

CITY RULES & REGULATIONS

- **BUILDING DEPARTMENT REMINDERS:** All contractors performing work in the City must be registered. The majority of projects that require hiring a contractor also require a permit. Permits cards must be displayed on the property in a place visible from the street. Projects requiring contractor registration and permits also require inspections by the Building Department. Specific to roofers, an "ice guard" inspection is required prior to installing shingles. Contact the Building Department with any questions. 440-526-6864
- **CURBSIDE RECYCLING GUIDELINES:** **Simply put, listed are the items that are recyclable:** Plastic Bottles & Jugs, Glass Bottles & Jars, Cartons, Metal Cans, and Paper & Cardboard. Throw away the lids in regular trash unless they are still on the original container (tightly). **When in doubt throw it out (in the garbage that is).** Click on this link for tips on recycling the right way [Cuyahoga Recycles](#). For large and miscellaneous trash items, click on the downloadable, printable guidelines. [City Special Trash Guidelines](#).
- **NOISE ORDINANCE RELATIVE TO OUTDOOR EQUIPMENT:** No person shall use engine or motor- powered garden, lawn or maintenance tools intended for repetitive use in landscaping in residential areas, typically capable of being used by homeowners, including garden tools, riding tractors, walking tractors and power mowers, between the hours of 8PM of any day and 8:00AM of the following day. **Note: Hours vary for construction and roadwork.**

- **TRIMMING OF TREE LAWN TREES:** Please help us be a “walkable” community by pruning the trees on your tree lawn. The Shade Tree Commission recommends a minimum height of 6’6”. This will help keep our pedestrians and bike-riders safe.
- **ALL GARBAGE IS TO BE PUT OUT BY 7AM:** Due to weather conditions, holidays, call-offs, etc. the normal pick up times will vary. Do NOT rely on the time that trash has been picked up in the past.
- **SOLICITING IN BROADVIEW HEIGHTS:** There are several ordinances that pertain to [soliciting in Broadview Heights](#). All ordinances are located on our [website](#).
- **NO OVERNIGHT PARKING ON CITY STREETS:** [Codified Ordinance](#) section 452.05(c) (1) prohibits parking on city streets between the hours of 3AM and 6AM. Per Codified Ordinance section 452.20 (a), signs are posted at city limits.

MAYOR’S OPEN HOURS: Drop in on Wednesdays, 4:30-6:00PM (Please check the website or call City Hall prior to coming in case of a last-minute change.)
