The City of Broadview Heights would like to provide residents with the link to the Centers for Disease Control and Prevention website. This website is where to go for the most current information regarding the Coronavirus and how it could impact our community. Please go to <https://www.cdc.gov/coronavirus/2019-ncov/index.html> to keep informed.

Also, we will be suspending all senior activities and Silver Sneakers programs that take place at the Leo H. Bender Community & Recreation Center through April 1, 2020.

As you are aware, older adults are the most vulnerable to the COVID19 Virus. This decision was made after careful consideration between the Mayor's office, Recreation Department, and Human Services Department. Furthermore, the final decision was made after contacting multiple senior centers and recreation centers in the area.

All other activities and youth sports will continue.

Thank you,

SAMUEL J. ALAI, MAYOR
CITY OF BROADVIEW HEIGHTS
