Pass It n

A Resource-Full
Guide to Donating
Usable Stuff

Cuyahoga County

SOLID WASTE DISTRICT

CuyahogaRecycles.org

Recycle Better, Recycle Right in Cuyahoga County.

No matter where you live in Cuyahoga County, you can include cans, cartons, glass bottles and jars, paper and boxes along with plastic bottles and jugs in your home recycling. Reduce your trash when you combine only these five items in your curbside recycling.

CANS

Empty and Rinse.

CARTONS

Empty and Rinse.
Replace Cap.

GLASS BOTTLES & JARS

Empty and Rinse.

PAPER & BOXES

Flatten Cardboard.

PLASTIC BOTTLES & JUGS

Empty and Rinse.
Replace Cap.

Place these items loose, not bagged in your recycling container.

Introduction

The Cuyahoga County Solid Waste District is pleased to publish its eighth edition of Pass It On: A Resource-Full Guide to Donating Usable Stuff. Since 1997, this booklet has been helping thousands of people pass on their unwanted but usable items to those in need. Listed inside are over 120 community service organizations that use donated items to support their work. These organizations work on behalf of youth, seniors, the homeless, animals and others in Cuyahoga County.

Toys, art supplies, clothing, books, school supplies, office equipment, sporting goods, tools, furniture and more can be donated. We hope that you will use this booklet before throwing away your usable stuff. Doing so will help others while reducing waste and conserving natural resources.

The items and organizations listed in this book are also included in a search engine at www.cuyahogarecycles.org. Use the "What Do I Do With?" search bar located at the top of every page of our website to find the most recent donation information for local nonprofit organizations. A list of Donation Locations is at the bottom of each material's webpage.

The Pass It On is also available as a PDF at www.cuyahogarecycles.org/pass_it_on_book

If you would like your organization included in our next edition or would like to comment on this booklet, please contact the District.

How to Use this Guide

This guide has two parts: The *Donation Index* and the *Organization Directory*. Use the *Donation Index* to quickly find the names of organizations that accept the things you wish to donate. Once you have identified those organizations, look them up in the *Organization Directory* to read more about them and their donation procedures. We include donation procedures for each organization as a reference only.

To learn more about an organization, visit their website or find them on social media. Most nonprofits have a Facebook page or a Twitter account where you can interact with them about their mission and their donation wants and needs.

Tips on Donating Usable Stuff

When donating your unwanted items make sure they are clean and are in usable, working condition. You must call the organization you have selected before dropping off your items. Donations that have *not* been arranged or have been left after hours can become “uncharitable” donations if they are not needed or are unusable.

Always contact the organization directly to verify that they need your item(s) and to arrange your donation.

While this guide lists over 120 places to donate unwanted items in Cuyahoga County (and just beyond its borders), it is not exhaustive. Other donation possibilities exist in your local school, church, theater company, animal shelter, nursing home and library. Be creative and think of who might benefit from your unwanted items.

The information included in this guide was provided in response to our inquiries. Information may have been edited for consistency and space constraints. Mention in this guide does not constitute an endorsement by the Cuyahoga County Solid Waste District.

Tax-Deductible Donations

Your donation of used goods may be tax-deductible. Below are some general tax tips related to donating. For current information about tax laws, contact your accountant or tax advisor. Information is also available from the Internal Revenue Service at www.irs.gov or by calling the Cleveland IRS office at (216) 415-3442.

The IRS allows taxpayers to claim the “fair market value” of the item at the time the donation is made. While most charities will provide a receipt for your donation, most will not appraise the value of donated items.

Individual contributions of \$250 or more must be substantiated with written proof from the charity. For guidelines, see *IRS Publication 1771, Charitable Contributions – Substantiation and Disclosure Requirements*.

To help you determine the value of your donation, see *IRS Publication 561, Determining the Value of Donated Property* or *IRS Publication 526, Charitable Contributions*.

Contributions to civic leagues, social clubs and business leagues are not tax-deductible; nor are donations made to for-profit thrift stores or merchandise sold on consignment.

About the Cuyahoga County Solid Waste District

The Solid Waste District is the public agency helping the people of Cuyahoga County to reduce, reuse and recycle at home, at work and in their communities. Our mission is to educate, empower and enable people across Cuyahoga County to reduce, reuse and recycle.

Please visit our website CuyahogaRecycles.org to learn how to recycle in your community and discover other recycling and disposal options.
